

# VUTEC Safety Belt Assembly Instructions

(For Model Number: VWHSB10/VWHSB12)

## Parts List

Quantity	Description
1	Safety Belt ( 8 foot / 10 foot / 12 foot )
2	Adhesive Clip
2	Screw
2	Nut

## Assembly Instruction

- Step 1. Unscrew and remove the electric strip.
- Step 2. Hook the belt bracket to the cart.
- Step 3. Attach electric strip back to the cart.
- Step 4. Screw everything using the same hardware.
- Step 5. On the other side, hook the belt bracket to the cart, screw the belt bracket with the hardware provided with belt.  
Note: If no electric strip used, go directly to step 5. for both sides.  
If other locations desired rather than the holes pre-drilled, drill a hole at the place you want, secure belt as specified in Step 5..
- Step 6. Adjust tension of the belt till it fits snugly around the monitor.
- Step 7. Attach the adhesive clips onto monitor.
- Step 8. Insert belt strap into each clip.
