

First Presbyterian Church, Fort Collins, CO

## Command Attention With Screens From Vutec

Vutec is known for its unique screens designed to work in spaces with cathedral ceilings and high ambient light conditions.

From PrismaTec, our high gain rear projection screen... to the front projection SilverStar™, a high gain/high contrast screen... to Retracta-Vu Pro™, which rises out of a cabinet at your command... Vutec has a solution to meet the needs of your congregation.

Contact us at 800-770-4700, visit us at [www.vutec.com](http://www.vutec.com), or email us at [info@vutec.com](mailto:info@vutec.com) to learn more.
